WAR DECLARATIONS MADE BETWEEN UNITED STATES, GERMANY AND ITALY

Berlin, Rome and Tokyo Enter Into A New Agreement

The congress of the United States without dissent voted war against both Germany and Italy today, swiftly countering Axis declarations of war against this country.

Congress' lightning speed in passing both resolutions—even more rapidly than in voting war against Japan—came after a message from President Roosevelt urging a "rapid and united effort" for victory "over the forces of savagery and barbarism."

Germany and Italy declared war against the United States today, with Premier Mussolini telling cheering crowds in Rome that "it is an honor to fight together with the Japanese" while Adolf Hitler declared the war would determine the history of the entire world for the next 500 to 1,000 years.

"Italian men and women, once again I tell you in this great hour: We shall be victorious!" Il Duce shouted from the balcony of the Palazzo Venezia in Rome.

Meanwhile, Secretary of War Stimson announced the sinking of the 29,000-ton Japanese battleship Haruna off the northern coast of Luzon in the Philippines—the first capital ship of the Mikado's navy reported sunk in the Pacific conflict.

In presenting Germany's declaration of war, the Nazi charge d'affaires in Washington accused the United States of aggression against the Reich, asserting that American naval vessels "since early September, 1941, have systematically attacked German naval forces."

This was the first clear-cut German admission that the Reich was feeling the sting of U. S. warcraft in the Atlantic.

Tokyo dispatches said Germany, Italy and Japan had signed a pact pledging their "solemn word" to Japan that none would make a separate peace "without complete understanding" by the other two Axis powers until the common war against Britain and the United States had been successfully concluded.

In London, Prime Minister Winston Churchill gravely commented on the seriousness of British and United States naval losses in the Pacific, but he declared confidently that the combined naval might of the two allied democracies was "still largely superior to the combined forces of the three Axis powers."

In Berlin, Hitler told the Reichstag:

"This has become the greatest year of decision by the German people—and your greatest decision stands before us."

The two dictators began their addresses almost simultaneously, at about 8 a. m., EST.

The twin declarations came as Japan claimed new success in air, land and sea blows against the United States and Britain in the five-day-old battle of the Pacific.

Fresh swarms of Japanese parachute troops were reported to have been thrown into the conflict on Luzon island in the Philippines after American battle ships had crushed the first waves of seaborne Japanese soldiers attempting to invade the island.

The Berlin radio as heard in London quoted the Japanese as saying that the 33,000-ton U. S. aircraft carrier Lexington (normal complement 2,122 officers and men) had been sunk in the battle off the coast of Hawaii.

Simultaneously, a Tokyo radio broadcast said Japanese landing forces had occupied the capital of S. S.-owned Guam island, in mid-Pacific, capturing 350 Americans including Governor George McMillan and other officials.

Denied the Japanese news agency, said Japanese troops also landed on Wake Island, another American outpost.

Full Text of Note Handed American Charge D'Affaires By Ribbentrop

Washington, Dec. 11.—(AP)—Following is the text of the German note handed today in Berlin to the United States charge d'affaires by Foreign Minister Ribbentrop, and released here by the department.

Mr. charge d'affaires:

The government of the United States, having violated in the most flagrant manner and in ever increasing measure all rules of neutrality, in favor of the adversaries Germany, and having continued its policy of the most severe provocations toward Germany ever since the outbreak of the European war of 1914, has finally decided to open military acts of aggression.

On September 11, 1941, the president of the United States pub-

CAMPAIGN IN LIBYA DESCRIBED

Prime Minister Churchill Speaks Gravely of United States and British Naval Losses in the Pacific and Far East, But Predicts Ultimate Victory in North Africa Despite Reverses

SAYS HITLER ERRED IN ATTACKING RUSSIA

London, Dec. 11.—(AP)—Prime Minister Churchill spoke gravely today of United States and British naval losses in the Pacific and the Far East, declared Adolf Hitler committed a colossal blunder in attacking Soviet Russia, and predicted ultimate British victory in North Africa despite unexpected reverses.

"It may well be," he declared in a sweeping review of the broadened war, "that we shall have to suffer considerable punishment, but we shall defend ourselves everywhere with the utmost vigor and in close cooperation with the United States and Netherlands navy."

"No one can underestimate the gravity of losses inflicted on the United States nor underestimate the length of time it will take to marshal the great forces necessary in the Far East for absolute victory."

Speaking seriously and appearing tired, Churchill nevertheless declared confidently that the naval might of Britain and the United States "was very greatly superior and still is largely superior to the combined forces of the three Axis powers."

He said bluntly that because of American naval losses Britain must expect that United States naval aid in the Atlantic and the volume of American supplies for Britain to be reduced, but added:

"I cannot doubt now that the 130,000,000 people of the United States have bound themselves to this war and once they get settled down to it . . . that the flow of munitions and aid of every kind will vastly exceed anything that could have been expected up to the present."

Of the sinking of Britain's battleship Prince of Wales and battle cruiser Repulse by Japanese air attack off Malaya, the prime minister said he understood they were without support of their own land-based fighter planes "because of an attack which had been made on the airdromes."

He told commons the ships were sunk by Japanese aerial torpedoes. Churchill described the British campaign in Libya as the only place the British could open a

Forces Endeavoring to Enslave World Moving in This Direction President Declares in Message

By the Associated Press
Following is the full text of President Roosevelt's war message today:

"On the morning of December 11, the government of Germany, pursuing its course of world conquest, declared war against the United States."

"The long-known and the long-expected has thus taken place. The forces endeavoring to enslave the entire world now are moving toward this hemisphere."

"Never before has there been

a greater challenge to life, liberty and civilization.

"Delay invites great danger. Rapid and united effort by all of the peoples of the world who are determined to remain free will insure a world victory of the forces of justice and of righteousness over the forces of savagery and of barbarism."

"Italy also has declared war against the United States."

"I therefore request the congress to recognize a state of war between the United States and Germany, and between the United States and Italy."

19 Counties on "Alert" for Raids as Philadelphia Prepares for Test

Eastern and Central Pennsylvania Districts Are Placed on Defense System With Wardens Ready to Act

AIR PATROL FUNCTIONS

By the Associated Press
Nineteen eastern and central Pennsylvania counties were placed on an air raid alert basis today as Philadelphia prepared for the first test of its warning system.

The Philadelphia mock raid will take place at noon Friday, and acting Mayor Bernard Samuel, all defense coordinator for the area surrounding the metropolis, has restricted use of factory whistles to the warnings.

The steps were taken as the toll of war struck in at least 25 Pennsylvania homes—notification by the army that soldier sons had lost their lives in Japan's sneak bombing of Hawaii Sunday.

The nineteen counties placed "on the alert" by order of Dr. A. C. Marts, state defense council director, and Ralph E. Flinn, chief air raid warden, are those in which organizations have been perfected. Similar systems are being established in the balance of the state's 67 counties as rapidly as possible.

The counties are Adams, Berks, Bucks, Carbon, Chester, Dauphin, Delaware, Lackawanna, Lancaster, Lebanon, Lehigh, Luzerne, Monroe, Montgomery, Northampton, Susquehanna, Schuylkill, Wayne and York.

Wardens in Philadelphia prepared to act at any time.

LOSSES IN CHINA SEA ACTION ARE MORE THAN 2,000

Singapore, Dec. 11.—(AP)—More than 2,000 of some 3,000 men who made up the crews of the sunken battleship Prince of Wales and battle cruiser Repulse have been rescued from the China sea, British authorities announced today.

Several hundred aboard a destroyer were among the first to land at Singapore, naval bastion at the tip of the Malay Peninsula, as survivors of the destructive Japanese attack yesterday.

Cecil Brown of the Columbia Broadcasting System, 33-year-old native of New Brighton, Pa., and O'Dowd Gallagher of the London Daily Express were two rescued from the Repulse, on which they had embarked as correspondents.

British land forces meanwhile consolidated new lines in northern Malaya against a Japanese wedge driven across the Thailand frontier while sea and air units sought vengeance for the destruction of the gigantic leaders of Britain's Far East flotilla.

Both the 32,000-ton Repulse and the 35,000-ton Prince of Wales were the victims of bomb hits, according to the Japanese high command.

A British communiqué said at least seven Japanese aircraft were destroyed during the attack on the Prince of Wales and the Repulse.

(The BBC, in a broadcast heard by CBS, said the commander of the Repulse, Capt. W. G. Tennant, was reported among the survivors but (Turn to Page Eleven)

CONFIRMS SINKING OF JAP SHIP

Secretary of War Stimson, at Press Conference, Declares Battleship Haruna Was Sent to Bottom by United States Army Bombers, as Enemy Chutists Are Said to Have Seized Airport in Luzon

SUSPECTS ARE BEING ROUNDED UP ON ISLAND

Washington, Dec. 11.—(AP)—The sinking of the 29,000-ton Japanese battleship Haruna by army bombers off the northern coast of Luzon in the Philippines was announced today by Secretary of War Stimson.

At his press conference, Stimson said the navy department had confirmed the sinking, previously reported by the army as a battleship of the Haruna class.

BY RUSSELL BRINES
Manila, Dec. 11.—(AP)—Japanese parachutists were reported to have seized an airport six miles from Iligan in eastern Luzon today while United States and Philippine troops battled to drive Japanese landing forces into the sea along the northern and western coasts of the island.

A United States army spokesman declared a short time before the parachute landing was reported by the Philippine constabulary that "the situation is completely in hand" and that Japanese forces along the coast were being mopped up.

He disclosed that a United States army bomber had struck a heavy blow at Japanese naval forces which supported the landings, blasting a 29,000 ton capital ship with three direct bomb hits and two close alongside, and leaving her "blazing fiercely."

(He identified the ship as a (Turn to Page Ten)

Both Houses Act Swiftly to Appeal Of Chief Executive

Washington, Dec. 11.—(AP)—Congress voted war against Nazi Germany and Italy today in a swift response to President Roosevelt's appeal for a "rapid and united effort" for the cause of victory "over the forces of savagery and of barbarism."

As fast as roll calls could be tallied, the senate unanimously, and the house without a single "no" vote, accepted the challenge of Adolf Hitler and Benito Mussolini, Axis partner of Japan, with whom the nation went to war Monday.

The senate vote for war against Germany was 88 to 0. Before the tally on Italy was recorded, Senators Andrews (I-Fla.) and Smathers (D-N.J.) reached the chamber to make the vote against Italy stand at 90 to 0.

The house vote for war with Germany was 393 to 0 and for war with Italy 399 to 0. But in each instance one member voted present.

This was Rep. Jeannette Rankin (R-Mont.), who was the lone vote against war with Japan and who voted against war with Germany in 1917.

Both Pennsylvania senators, Joseph F. Guffey (Democrat) and James J. Davis (Republican) voted for both resolutions.

Just before the ballot, senators listened to a message from President Roosevelt asking the vote challenge to life, liberty and civilization.

Senate galleries were only partly filled during the momentous action. Lord Halifax, the British ambassador, and 140 diplomats, set in the diplomatic galleries with other representatives of the diplomatic corps.

Minority Leader McNary (R-Or.) submitted a unanimous resolution of Republican members pledging support to the president in prosecuting the war to a successful conclusion.

In the brief, six-paragraph message to congress, which followed declarations of war on this country by the two Axis partners, Mr. Roosevelt asserted that "the forces endeavoring to enslave the entire world now are moving towards this hemisphere."

Never before, he said, has there been "a greater challenge to life, liberty and civilization."

Declaring that delay invites greater danger, Mr. Roosevelt added that "rapid and united effort by all of the peoples of the world who are determined to remain free will ensure a world victory of the forces of justice and of righteousness over the forces of savagery and barbarism."

There was no definite indication whether it was intended as such, but this sentence appeared to bear the implications of an appeal to our Latin American neighbors to join in the victory effort.

The chief executive asserted that Germany's declaration of war was in pursuit of "its course of world conquest."

(Not until the next to last sentence of his message did he also mention that Italy, too, had declared war against the United States.)

At the other end of the capitol, jammed galleries and a crowded floor waited for the representatives to follow the lead of their senatorial colleagues.

The Rev. James Shera Montgomery, the house chaplain, opened the session with an appeal for Divine aid for the nation.

Archduke Otto of Austria, whose country was aligned against the United States in the World War, was one of those who (Turn to Page Fifteen)

Defense Bond Quiz

Q. Why does a great part of the responsibility for success of the Defense Savings Program belong to the women of the Nation?

A. Women are estimated to control about 70 percent of the total national wealth; about two-thirds of the savings accounts are in women's names; women receive a billion dollars a year as insurance beneficiaries; more often than not wives handle the family finances. Women have the money to buy Defense Savings Bonds and Stamps.

Q. How can a union support the Defense Savings Program?

A. Through purchase by the national and local offices of Series F and G Defense Savings Bonds with union funds; and through encouragement of Defense Savings Bond and Stamp buying by individual members.

Note.—To buy Defense Bonds and Stamps, go to the nearest post office, bank or savings and loan association; or write to the Treasurer of the United States, Washington, D. C. Also Stamps are now on sale at retail stores.

CHRISTMAS TO BRITAIN'S CHILDREN

With Mrs. Franklin D. Roosevelt as its first contributor and sponsor, a campaign to raise funds which will be sent to Queen Elizabeth to provide comforts for the hapless children of Great Britain at Christmas has been launched by Bundles for Britain, Inc., through its more than 1,100 branches, including the Warren county chapter, which is still engaged in its local drive. The campaign is being conducted throughout the nation and will close December 13.

The theme of the campaign is "A Christmas to Britain's Children—a Christmas Greeting to Britain's Queen," and the object is a million signatures and contributors. The parchment sheets similar to the one signed by Mrs. Roosevelt are designed to afford Americans the opportunity to express personally good wishes to Queen Elizabeth by autographing them at the time they are making contributions. Space is provided on each sheet for thirty-nine signatures.

The announcement of the campaign is accompanied by the following appeal:

The stars that looked down on Bethlehem twenty centuries ago, tonight look down on London.

The little children, the babies of Britain, innocent victims of war, will know no peace this year. But they will know the love, the mercy, the sympathy of their people.

They won't have a "Merry Christmas," these children. We'll have that over here—where the American way of life still exists.

But we can help them have a few of the comforts of life so dear to the hearts of children at this time of year—at Christmas-tide.

No great outlay of money or effort is required. Simply your signature and a contribution, if you wish.

It may mean more than tanks or planes or ships. It may help to rekindle within the small breasts of those children a firm resolve to sustain a just cause.

SMALL DEER KILL

An exchange commenting upon the small kill of legal bucks this season says "the reason is easy to figure out. Folks who saw car after car pass over the highways last season with one to three, and sometimes four deer, strapped to running boards, figured then that hunters in 1941 would find no such snap season again."

It is estimated there were 187,000 legal deer killed last year, and many of those slain were fawns, so small some hunters could fold them up in the lining of their hunting jackets. This year according to reports, hunters have to go deeper into the woods to find legal bucks, which also accounts for an unusual number of nimrods being reported lost in some areas.

Many are predicting that it may be necessary in the near future to have a closed season to give the deer herd an opportunity to build up again.

TWELFTH NIGHT OBSERVANCE

Through the enterprise and progressiveness of the local council, Girl Scouts of America, Warren is to have another Twelfth Night observance, the plans for which are already well formulated.

This annual Christmas tree burning has come to be one of the highlights of the yuletide season, and it will be pleasing to hundreds in and around Warren to learn that it will be repeated again after the first of the year, the date being Tuesday, January 6.

Lot of Warren men will probably be surprised to learn that they are running around with their heads covered with skim milk. A Washington dispatch says that men's hats are being made from skim milk because of the shortage of rabbit and hare fur. The skim milk is first made into synthetic wool, "aralac," which gets its name from the initials of the Atlantic Research Associates, who did the research plus "lac," meaning milk.

The jovial greetings of Jimmy Foley will be missed by a host of friends in the community but not any more so than around the Carver Hotel.

There's nothing more treacherous than ice-covered streets and sidewalks covered with a light blanket of snow.

There's but one way to write it—C-H-R-I-S-T-M-A-S!

T-H-O-U-G-H-T-S

Truly the light is sweet, and a pleasant thing it is for the eyes to behold the sun.—Ecclesiastes 11:7.

EDSON'S WASHINGTON COLUMN

By PETER EDSON
(Warren Times-Mirror Washington Correspondent)

Washington, Dec. 11.—The wonder of it is how the Japanese statesmen figure they can afford to take on a war against both the United States and Great Britain, considering only Japan's unquestionably lousy economic position. Four years of war weariness are just a beginning. On top of that is a general business recession that points only to ultimate economic ruin.

Department of Commerce information on Japan's internal economy and her foreign trade present the real picture. Here is a country which is only half self-sufficient in normal and piping times of peace. More than 70 per cent of these imports have come from the countries on which Japan now wages war—the United States, Great Britain, Dutch East Indies and the Philippines. All this trade it now kisses goodbye. And it is only from these countries that Japan can obtain the metals, chemicals, petroleum and machinery which are vital to its heavy industries.

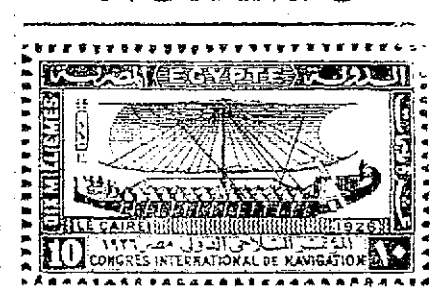

With the door now slammed on these natural sources of supply, Japan has been set back on her own heels and the resources of what are known as the yen bloc countries, Manchuria, Kwantung and occupied China. These countries, while they are valuable customers for the materials which Japan manufactured from raw materials imported from other countries, are no good as sources of raw materials. Japan itself therefore must become the source of whatever it can scrape together to keep going.

The result has been a series of salvage campaigns that make our aluminum and wastepaper collections look like the picnic affairs they really were. Scrap iron has become almost as precious as Japanese pearls. Manhole covers, sheet iron roofing and the ornamental iron fences around government buildings have disappeared. Salvaging of ships wrecked and sunk off Japan's rocky coasts has become a leading industry.

Transportation has been cut drastically. There is a shortage of coal, further cut by the necessity of using more coal to reduce such low-grade iron ores as can be obtained from the yen bloc countries. Motor vehicles are at a premium and such as there are in bad repair. Gasoline and oil must go almost entirely to the military uses. Buses and taxis can no longer use gasoline and oil, and even the substitute fuels like charcoal gas are under government regulation.

Plant operation has been curtailed not only because of the shortage of raw materials, but also by a shortage of skilled labor. Night shifts have been eliminated. Glass manufacturers were reduced in number from nearly 1000 to 50. Japan's once-thriving cotton textiles trade has been cut 50 per cent. The United States, India and Brazil were formerly chief sources of Japanese raw cotton, but shipping shortages and embargoes have cut off these supplies. (Turn to Page Seven)

STORIES IN STAMPS

Egypt's Winds Bar Large-Scale Battles

ALTHOUGH Egypt is nominally under British protection and the threat of Axis invasion wanes under the thrust of the English forces into Libya, the soldiers of all nations will be lucky if they escape a battle on the hot, dry sands of the Egyptian desert.

The stamp above, bearing a picture of a ship of Hatshepsut was issued in 1926 to honor the International Navigation Congress held that year. The stamp calls attention to Egypt's shipping facilities of the Suez Canal and the Red Sea rather than its arid, treacherous desert.

One of the reasons that little military action took place on the Libyan-Tobruk front, where the Axis nations had cut off a British force, was the furious, acid, summer wind called the Khamsin. The Khamsin blows north across hundreds of miles of the parched, gritty desert where rain falls but once in 30 years. The wind is so strong that it overturns trucks, sweeps away tents and reduces visibility to zero.

The impurity of the air, saturated with tiny, stinky sand grains, makes wounds fester and kills off men much quicker than a mechanized enemy.

The Centennial Hose Company has elected the following officers: President, Albert Whiteshot; vice president, George Topper; recording secretary, Earl Cobb; financial secretary, John French; treasurer, Earl Cobb; trustees, W. H. Kinsinger, R. W. Sweeting and Albert Whiteshot.

The large court room was filled this morning to hear Judge Arnd pronounce sentence on fourteen prisoners, some of the spectators, being relatives or friends of the unfortunates involved, but the majority were simply of the idle curious class. Most were charged with liquor law violations.

Two interesting games were played in the City Basketball League at the Y. M. C. A. last night when the J. C. Penney five handed the Alpha Zetas their second straight defeat by a score of 33 to 24, and the National Transit turned back the Hoff Business College quintet by a score of 34 to 19.

The Literature Department of the Women's Club will meet Monday and Mrs. J. K. Vessey will give the book review, Mrs. Wallace Cowden will furnish music and Mrs. H. J. Dunmore will give a review of poetry.

Interesting papers will be given by Richard Gray, William A. Laferty and R. Pierson Eaton at the meeting Saturday of the Natural Science Section.

DRIVER SENTENCED
Pittsburgh, Dec. 11.—(P.)—Joseph A. Yocius, 26, of Morgan, Pa., was sentenced to 18 months in the workhouse yesterday on a charge of driving while intoxicated. An auto driven by Yocius killed a small child and injured four others on July 22.

STATE CAPITALS

One of the youngest state capitals in the Union, for its state, Arizona, has been a member of the Union for just under 30 years. Now that you know that, how about answering these questions about the capitals of some of Arizona's 47 sister states.

1. What four states have capitals containing two or more words, the last of which is "city"?
2. Besides those, what five states have two-word capitals?
3. What four states have capitals named for presidents?
4. What two state capitals are named for the same man, a famous explorer?
5. What four state capitals begin with "B"? What three with "T"?

TOMASIC HONORED

Philadelphia, Dec. 11.—(P.)—Andy Tomasich, Tom's great back, today placed the Stephen Girard Lions Club trophy for the university's most valuable 1941 football player in his case today, along with other awards amassed during a sensational three-year career.

He was the first backfield man to be honored since Chris Pappas was designated most valuable in 1937.

A WASHINGTON DAYBOOK

By JACK STINNETT
WASHINGTON—The capital reports:

That the Army-Navy "blood bank" has saved its first life of a man wounded under fire. In this case it was a naval officer. When the U.S.S. Kearney was torpedoed off Iceland, one of the seriously wounded was a young officer. Doctors on the rescue ship radioed Iceland that only injections of blood plasma could save his life.

Out from the Iceland base went a fast plane and circling over the ship, dropped the needed plasma in a parachute. The naval officer is alive today.

The story leaked out, without names, only because the Red Cross is trying desperately to convince that its blood bank drive is a vital necessity in national defense. The Red Cross so far has had some 20,000 donations of blood. About 15,000 of these donations have been turned over to the Army and Navy, the rest held for home defense and domestic emergencies. Just how much of a drop in the blood bank bucket that is may be rapidly calculated. The Army and Navy together say they need a reserve of at least 200,000 donations.

THAT October (it takes about this long to get the national figures collected) was the first month when "little business" unemployment benefit payments dropped to a new low in October for the third successive month.

BUT, claims for benefits jumped 28 per cent over September; state employment service placements were slightly less, instead of showing the usual seasonal increase; and applications for jobs jumped 7 per cent to approximately 1,500,000.

In all of the states which reported one or more adverse conditions—Indiana, Kansas, Louisiana, New Jersey, California, Connecticut, Pennsylvania, Massachusetts, Maine, New Hampshire were particularly mentioned—the causes were one or more of three: seasonal layoffs; priorities resulting in a shortage of materials; and completion of big defense construction jobs.

The report, although far from entirely pessimistic, was the first hint developing unemployment conditions which some government officials have been predicting for nearly a year.

THAT it hadn't been for Rep. Sol Bloom, of New York, who took up three columns of small type in the Congressional Directory drawing attention to it, Washington might never have noticed that December 1 was the 23rd anniversary of the founding of Yugoslavia and the establishment of the Union of the Yugoslavians as a federation of free peoples.

THAT the United States Army, on maneuvers in the Carolinas, practiced fifth columning that out-Nazied the Nazis. An infantry private planted himself in an armored column of 22 vehicles. When they came to a certain road, the private jumped down, yelled to the lead driver: "Here's where we turn off and eat." The armored column turned off. The fifth columnist's infantry buddies rose from the roadside ditches and fields and captured them all.

Executive Committee of Local Red Cross Chapter Accepts Its Quota of \$20,000 For War Fund

At a special meeting of the executive committee of the Warren County Chapter, American Red Cross, held late yesterday afternoon, the call of the national headquarters for a quota of \$20,000 for the emergency war fund now being raised was accepted.

The executive committee has sent a message to Norman H. Davis, national Red Cross chairman, assuring him of the full cooperation of the local chapter in exerting every effort to secure the needed funds in this great emergency.

Although plans for the campaign here have not been announced, they will be made known as soon as possible.

Action of the executive committee followed receipt of a telegram by Clara J. Crary, chairman of the Warren County Red Cross chapter requesting that the sum of \$20,000 be raised here as part of the \$50,000,000 fund being raised throughout the United States.

The telegram from the national chairman follows:

"Chairman, Warren County Chapter, American Red Cross. Again the American Red Cross is called upon to serve our nation in war. Both nationally and

locally we face vast and definite responsibilities for services to our armed forces and for relief of distressed civilians. To provide essential funds Red Cross today is launching a campaign for war fund of minimum of fifty million dollars. The president will issue a proclamation supporting this appeal. Your chapter quota is twenty thousand dollars. Chapters may retain fifteen percent of their collections for local war relief expenditures. Chapters should at once devote full efforts to raising their quotas in shortest possible time. Please report action taken. We must not and shall not fail in this crisis, Norman H. Davis, chairman."

Many encouraging reports were heard at the regular meeting of the Red Cross executive committee, held in the Market street headquarters Monday night.

The report of A. C. Jackson, director of the roll call, showed that total membership received to date to be 6,943 and the total amount raised \$9,036.

W. J. Summerville, director of the Junior Red Cross, reported on formation of junior branches.

The volunteer service chairman, J. W. A. Luce, asked Mrs. R. W.

Start Red Cross War Drive

Mayor F. H. La Guardia, director of the Office of Civilian Defense, and Norman Davis, chairman of the American Red Cross, leave the White House after conferring with President Roosevelt on start of drive for Red Cross war funds.

Stieber, director of production, to report on this phase of the work. She stated the last quarterly production report showed the following totals: Garments made, 1,385; layettes and miscellaneous infant articles, 165; quilts, 5; surgical dressings, 5,600. This amount of work was made possible through the combined efforts of 618 workers who gave 23,416 hours for production.

C. J. Crary, chapter chairman, reported that Mrs. W. H. Rawson at Sheffield had accepted membership on the Crippled Children's Committee board and that G. E. Seavy, of Clarendon, has been named to the Red Cross executive board to succeed the late E. S. Kennedy.

A house committee, composed of H. N. Elmquist, chairman; Mrs. E. H. Ley and Mrs. R. G. Dawson, was formed.

Mr. Crary suggested projects that might be considered. A first aid and life saving class for girls has been requested, he stated, leaders have been trained and the Y. M. C. A. has promised time for use of its pool. A home nursing project was also outlined, and the board voted to adopt these projects.

The chairman reported appointment of the following Nurse's Aide Corps committee: Mrs. W. F. Clinger, chairman; Mrs. G. L. Craft, Mrs. W. E. Lutz, Mrs. H. N. Elmquist, Mrs. W. M. Cashman, Mrs. Nora Eaton, Miss Mildred Blair, secretary, and Mrs. Allison Wade, publicity director. The committee reported 19 applications received for the course, to be started soon after the first of the year. This committee has asked to function as a general Red Cross nursing committee, with the addition of Miss Helen Lauffenburger as assistant secretary.

TIMES TOPICS

COMING ON FURLOUGH

Word has been received that Robert F. Correll, private first class, of Battery B, 77th Field Artillery, Fort Sill, Okla., is coming here for a 10-day furlough over the holidays. Private Correll is the son of Mr. and Mrs. H. W. Correll, Water street.

CHRISTMAS SCENE

A very attractive lighted silhouette of a Christmas scene may be seen at the Hoagvall Hardware Company store on the East Side. This scene of the Christmas season is across the back of the store and depicts Christmas Eve, even to Santa with his reindeer and the carol singers. The complete scene was designed and cut out by hand.

IN PHILIPPINES

Another Warren county boy has been added to the list compiled of those who are in the country's armed forces in the Philippine Islands. He is Leon Campbell, formerly of Sheffield, a brother of Mrs. D. A. Scallise, Pennsylvania avenue, west, and son of Mrs. Wilson Campbell, of Pleasantville. He is serving with the 17th Ordnance Company at Fort Stotsenberg at Pampanga. The latest communication received from him was a letter, dated October 11 and received yesterday by his mother.

STUDENTS PARTICIPATE

A special dispatch from Edinboro State Teachers College reports that Miss Bettie Miller and Dewey Long, of Warren, are among those taking part in the annual Christmas vespers service at the college on Sunday evening, December 21. The service, beginning at 4 p. m., will feature a candlelight procession, instrumental ensemble, chorus of over 50 voices and several smaller ensembles, and will be the first event to take place in the new auditorium. The program is under the direction of Miss Esther Wilson, director of music at the college and sister of James N. Wilson, of 117 Central avenue, this city.

AT CELEBRATION

Mr. and Mrs. A. F. Kottcamp, Russell street, have gone to York to attend a banquet on Friday evening at the Yorktown Hotel, celebrating the 75th anniversary of C. C. Kottcamp and Son, plumbing, heating, roofing and sheet metal contractors. The business, now being conducted by Harry Kottcamp, was founded in 1866 by the late C. C. Kottcamp and today, with approximately 100 employees, is one of the largest of its kind in the state. The Warren man is the oldest of five surviving sons of C. C. Kottcamp, all of whom, with their wives, will be present at the banquet tomorrow night, together with all employees of the concern.

THE SAME GO-GETTIN' SUDS ARE SAFE FOR RAYONS, COTTONS, SILKS AND WOOL! SAFE IN WATER, SAFE IN SUPER SUDS!

EXPERTS RECOMMEND SUPER SUDS

Here's How to Wash Rayons, Silks and Wool

1. Test patch in water for color-fastness. If color runs, it's not washable. (Test woollens in soapy water).
2. Wash garments separately, by hand.
3. Use lukewarm suds: Dissolve Super Suds completely in warm water, add cold for lukewarm suds.
4. Do not soak. Wash quickly, gently. Don't rub, wring or twist. Woollens shrink from rubbing—avoid any excessive handling while wet.
5. Rinse thoroughly, gently, in clean, lukewarm water. Roll in towel; don't leave there. Never dry woollens in excessive heat or direct sun.
6. Shape garment over board before ironing. Use a moderate iron.
7. Certain type weaves and prints should not be washed. Look for washability guarantee when you buy.

SCHOOL MEN OF COUNTY ATTEND LANDER MEETING

Lander, Dec. 11—The Warren County School Men's Club held its regular meeting last evening in the community house in the form of a Christmas party. Members and wives present totaled 53.

A delicious chicken dinner was served at 6:30 o'clock by Melvin Bennett, music supervisor of the Russell school.

E. B. Eaton, Russell principal, conducted a brief business session, with reports by the secretary, C. E. Sherrell, of Tiona, and the treasurer, Alan Frank, of Sugar Grove.

Two one-act plays were presented by seventh and eighth grade pupils under the direction of Floyd Potter. They were "Who Gets the Car Tonight?" and "Lemme See Your Tongue."

Exchange of gifts about the Christmas tree brought the evening to a very successful conclusion.

Several new members were received during a brief meeting of the Warren County Men's Credit Union, held following the party.

SALEM CHURCH HOLDS MEETING TO NAME HEADS

Following an enjoyable family supper in the Salem Evangelical church last evening, members held their annual congregational meeting and election of officers for the coming year.

Two new trustees of the church were chosen in the persons of Albert E. Ristau and Gust A. Ristau.

Lee F. Olsen was elected Sunday school superintendent, with Bernard G. Acker as assistant superintendent; Phyllis Beckstrom, secretary; Gust A. Ristau, treasurer; Mrs. John Naegeli and Ludwig Schwank, class leader and assistant.

Table decorations for the very delicious venison supper were in keeping with the holiday season and caroling added to the Christmas air. Santa Claus put in an appearance to distribute a treat for the children.

WARREN STORES HALT SALE OF JAP-MADE ITEMS

Heads of two local chain stores announced today that they have taken action to remove all Japanese-manufactured goods from their counters and it was indicated that other mercantile establishments in Warren would follow suit as soon as necessary arrangements could be made.

Announcement of the action was made this morning by E. J. Milway, manager of the G. C. Murphy Company store, and Frank S. Wood, manager of the S. S. Kresge store.

Both managers stated that the action was ordered by the heads of their respective companies in order to assure the people of the country that they will not be using any goods which were made in the nation now at war with the United States.

DEFENSE WORK IS CARRIED ON BY GIRL SCOUTS

Reports of committee chairman at Tuesday's meeting of the Warren County Girl Scout Council indicated great activity in defense measures and many plans of community interest were discussed.

The meeting was held at the home of the commissioner, Mrs. T. L. Armstrong, fourth avenue, when the following members were reelected to the council for three year terms: Mrs. Armstrong, Mrs. F. L. Abendroth, Mrs. William Crosssett, Mrs. R. W. Mackay and Mrs. E. P. Wroth. The resignation of Mrs. E. E. Koebley, whose term has expired, was accepted with regret. Mrs. Armstrong appointed the following nominating committee to choose officers: Mrs. Wroth, chairman; Mrs. Clifford Johnson and Mrs. A. C. Jackson.

Both the program and public relations committee reported preliminary plans under way for the annual Twelfth Night observance scheduled for Tuesday evening, January 6.

Mrs. R. W. Mackay reported for the program committee that a junior first aid course is in progress, with 16 girls enrolled; that the Senior Girl Scout Troop has adopted the senior service Scout program for the year; that the Service Bureau has a surgical dressing group that meets Tuesday afternoon at the Red Cross headquarters with 10 girls enrolled; that 100 pairs of booties will be completed for the Red Cross by January 1; that Girl Scouts enrolled in the Service Bureau have given 150 hours to various organizations during the past month.

Mrs. William Glassman, reporting for the training committee, stated that a nutrition course taught by Miss Hazel Finley has been successfully completed and that a Red Cross standard first aid course will be sponsored immediately after New Year's.

Mrs. Wroth announced for the organizing committee that leaders have been secured for two troops.

Mrs. Vance Weld, chairman of public relations, told of the successful candy sale held, through which ample funds were realized to purchase desired motion picture projector equipment.

SAFETY PLAY AND WINNING SQUEEZE DEFEAT EXPERTS

BY WILLIAM E. MCKENNEY
America's Card Authority

If you want to increase interest in bridge in your city, take a lesson from St. Petersburg and Tampa. The inter-city matches conducted by these Florida play spots are really tops.

Each month St. Petersburg and Tampa play a competitive match. The high score winners for the month in their weekly duplicate games represent their respective cities. One month a team of 12 from St. Petersburg goes to Tampa, and the following month the Tampa players go to St. Petersburg.

Recently Miss Mervin Ray was a member of the St. Petersburg team that defeated Tampa in one of these matches. Miss Ray is well known in bridge circles and has competed in several national tournaments. I remember an interesting hand she played at Asbury Park one year which gave her a top score over one of the world-famed experts.

Everyone got into trouble on this hand except Miss Ray. Sitting South, she won the opening lead against her slam contract. Inferring that West held at least the guarded queen of spades, she led a low spade as a safety play, and West let the jack win.

Three more rounds of trumps followed, forcing out the queen. Dummy discarded a heart. West then led the king of hearts.

Dummy won with the ace and led a diamond to put South in with the king. Miss Ray cashed all the rest of her trumps and caught West in a squeeze in the red suits.

plies and the raising of cotton in occupied China has been a disappointment.

Silk trade, long the backbone of Japan's world-wide export business, once accounted for a third of the country's sales abroad. Raw silk has been the one raw material of which Japan had a sufficient supply. It is an unconscious surplus because the United

States and Great Britain have stopped buying.

Limitation of the silk industry has meant that much of the acreage in mulberry trees is being converted to food crops, and this tells the story of Japan's food shortage. Originally, only rice and wheat were rationed, but early in 1941 fish, eggs, meat, rice wine, bread and edible oils were restricted. In October the government added to the list cowpeas and buckwheat.

Price control measures have been applied with a vengeance in an effort to curb an increase in the cost of foodstuffs and commodities which, at the 1940 retail level, have been 66 per cent above the average of 1936 when the China campaign began. Compared with 1914, the living cost in 1940 was 265 per cent higher.

The Japanese national debt has tripled from 10 billion yen to nearly 30 billion. The cost of the China campaign alone has been 22 billion yen, but that's nothing compared to what this war against the United States and Great Britain will cost.

And the question naturally arises as to how any country can wage a war on an economy like that.

Christmas Program and Tea at Philomel Club
Center About Organization's Golden Jubilee

A delightful afternoon was in store for members of the Philomel Club Wednesday afternoon, the occasion of the annual Christmas program and tea. Miss Gene Ezell was in charge of arranging the program.

To open the meeting, the president, Mrs. Allie Russell, again called attention to the 50th jubilee being celebrated this year by the club and presented one of the charter members, Mrs. Mary Albrecht, for a few remarks concerning the early days of the group.

The president reminded members, too, of the concert by the Curtis String Quartet on Friday evening at the Philomel, first presentation of the Warren Concert Association for this year.

After wishing the group an early "Merry Christmas," Miss Ezell announced her program. First heard was a quartet, Mrs. E. H. Trusler, Mrs. Charles Eaton, Mrs. George Muir and Mrs. J. A. Johnson, with Miss Lillian Larson playing accompaniments for two old German hymns. Miss Ezell and Mrs. Peter Horning played portions of the Tchaikovsky "Nutcracker Suite," with explanatory comment by the former.

Mrs. Everett Borg sang three beautiful contralto solos suitable to the season, with Mrs. Eugene Kuester at the piano.

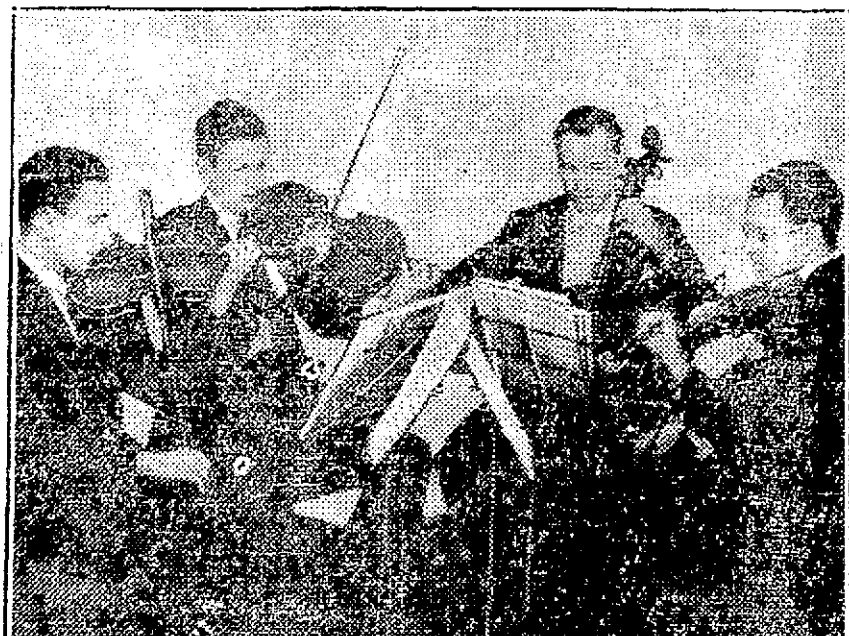

To conclude, Harry Summers and the high school violin ensemble were presented for a group of four pleasing selections. Mr. Summers extended to members an invitation to attend the annual Christmas carol festival to be held at Beatty school on December 19.

The chairman then offered a surprise, two lovely soprano solos by Miss Essie Strickland, with accompaniment by Mrs. Harold

First Concert Offering

Pictured here is the Curtis String Quartet, to be presented at the Woman's Club Friday evening at 8:30 o'clock by the Warren Concert Association. In its personnel are Jascha Brodsky and Charles Jaffe, violins; Max Aronoff, viola; Orlando Cole, cello.

It is with considerable pride that the Warren Concert Association inaugurates its new season with the music of the Curtis String Quartet, three of whom are American born and all distinguished virtuosos in their own right.

They will appear in the Woman's Club as the first of three fine attractions engaged for this year.

Both the violinists, Brodsky and Jaffe, were child prodigies, the former having studied and concertized under the great Eugene Ysaie in Belgium, and the latter having made a sensational debut at five and one-half years as soloist with the Women's Symphony Orchestra in Philadelphia.

The cellist had the distinction of being the Curtis Institute's first student, reporting for a piano lesson at nine o'clock in the morning on the first day the school was opened. He is today an instructor of violin and cello at the Wilmington Music School.

Orlando Cole, cellist and protégé of Felix Salmond, likewise teaches at the Philadelphia and Wilmington schools.

The quartet has announced the following program for tomorrow night:

INJURIES DECREASE

In spite of an increase of more than four per cent in exposure hours during August, the number of industrial injury reports received during the month decreased slightly. Although this decrease does not take the reporting lag into account, there is still more

encouragement in the fact that accidents did not continue their upward trend. Included in the 12,337 injuries reported during August were 130 fatal cases.

Two Plays Presented For December Studio Meeting of Players' Club Are Unusually Fine

The December studio meeting of the Warren Players' Club, which was held last evening in the Woman's Club auditorium, was well attended and much enjoyed by the members. Two plays were given, and both were exceptionally well done.

The first, "Saturday Supplement," directed by James Kannert, was a one-act modern American comedy. The leading character was an aspiring young writer, the part taken by Bill Moore, who was also a member of Players' Club last year and shows great acting ability. The part of the wife, who shares his ambition, was taken by Ann Blackman. Last night, she made her debut in "Saturday Supplement." The third part was that

STRUTHERS-WELLS EMPLOYEES' PARTY

Girls of the Struthers-Wells personnel held their annual Christmas party Tuesday evening at the Y. W. C. A. activities building, with dinner at 6:30 o'clock. Table appointments were tastefully carried out in the Christmas spirit, with place cards and a centerpiece of Santa Claus and his reindeer, augmented by two beautiful bouquets of pink rosebuds, a gift to the group. There were also Mexican favors at each place, a gift of Ann Neal, former co-worker.

The program following dinner and the gift exchange consisted of a humorous recitation by Gertrude Snarburg; accordion selections by Jeannette Loucks; caroling led by Ruth Kehrl and accompanied by Martha McFarland, and a group of nine dances capably performed by Katherine Dawn Williams and her pupils, Vivian Hale, Dot Harrington, Mickie Matthews and Virginia Hale, accompanied at the piano by Gene Ezell and with piano by Al Lucia. Velma Craft was mistress of ceremonies. Solo dances by Phoebe Jewell and Nancy Gorachinos displayed promising futures for these young artists. The entire entertainment was greatly appreciated and enjoyed.

GIRL RESERVES BUSY AT Y. W. C. A.

At the regular Monday meeting of the East Street Girl Reserves, held at the Y. W. C. A. plans were made for the knitting of squares for Bundles for Britain to go into effect at the next regular meeting. The Christmas party to be held on Thursday afternoon, December 18, will take the place of all grade Girl Reserve meetings next week. After the business meeting, the group enjoyed a trip through the jail and court house.

The Jefferson Girl Reserves are busy with preparations for their part in the Christmas party program. After a short business meeting at the school house Tuesday afternoon, the group hiked to Irvinedale Park.

Starbuck, Lacy and McClintock Girl Reserves are busy selling Christmas candy in order to raise money for their own group.

NO RECREATION CLUB

Because of the Clinton Bushman "Musical Clock" entertainment at the First Presbyterian church Saturday evening, there will be no meeting of the Saturday Night Recreation Club this week. The recreation committee is giving its hearty cooperation to aid the Community Council P. T. A. in making this entertainment a success and tickets are on sale at the residence, activities and cafeteria buildings.

GIRLS ENJOY TRIP

Seventeen members of the McClintock Girl Reserve group of the Y. W. C. A. enjoyed a trip through the Walker ice cream plant Tuesday with their leader, Mrs. Salie Maurer. At the conclusion of the tour, the company hostess served ice cream to the group.

MARTHA SOCIETY

The Martha Society of the St. Paul's Lutheran church will hold its annual meeting tomorrow afternoon in the church parlors at 2:30 o'clock. They will be entertained by Mrs. Christ Peterson and Mrs. O. B. Stromdahl. Everyone is welcome.

CRADLE ROLL MOTHERS

The Cradle Roll Mothers of the Nazarene church will meet for their Christmas party on Tuesday, December 16, at 7:30 o'clock in the church parlors. Every one is reminded to bring gifts for the children and the mothers will exchange ten-cent gifts.

COLLEGE CLUB

Christmas music and a story will feature the annual holiday dinner-meeting of College Club members at the Philomel Club at 6:30 o'clock tomorrow evening. Mrs. Howard Fotts is hostess and Mrs. Allison Wade is planning the program.

GIRL RESERVES PLANNING CEREMONY

The Girl Reserves of the Y. W. C. A. will inaugurate the Christmas season in the association buildings at three o'clock Saturday afternoon, when they hold a ceremony for "Hanging of the Greens".

TEN SAFETY RULES FOR NIGHT DRIVING

(Reprinted from Popular Science Monthly)

1. Drive "within your head-lights," so you can stop within the distance you can see ahead.
2. Always depress your head-lights for approaching cars.
3. Keep your windshield and headlight lenses clean.
4. Don't drive even a short distance at night when you are very tired.
5. Watch continuously for pedestrians and other unlighted objects on the road.
6. Don't stop on the highway at night. If you must, keep parking lights and dome light on.
7. In meeting cars, give them all the room you can.
8. Remember that drinking adds greatly to the dangers of night driving.
9. Have your eyesight checked from time to time and get glasses as needed.
10. Keep a window open for better air circulation and hearing.

Important Meeting Of Women of Moose

Mrs. Gertrude Bonnell was chairman of the twelve supper which preceded the regular meeting of the Warren Chapter, Women of the Moose, on Wednesday evening. The regular meeting followed in the lodge rooms with Senior Regent, Mrs. Anderson in charge and attendance awards going to Mrs. Anna Stigelmier and Mrs. Esther each.

The chapter has planned to send Christmas boxes to Mooseheart and members are asked to bring their five and ten-cent gifts to the lodge rooms Friday, Saturday or Sunday.

Plans have been completed for a Christmas party for members, to be held next Tuesday evening with supper at six o'clock. Each is to bring a 25-cent gift for exchange. There was also a discussion of plans for the Christmas party for the men and women of the order and their families, to take place December 22. The children of the Mooseheart will be guests.

Mrs. Bonnell, war relief chairman, asked members to gather at her home, 618 Prospect street, at 7:30 o'clock for Red Cross singing. Those attending are to bring turkeys for the luncheon. The next regular meeting of the women's group will be held on January 14.

Social Events

STYLE SHOW AT HIGH SCHOOL TONIGHT

The High School Stenographers' Club announces that tickets may be had at the door tonight for the annual style show, scheduled to start at 8:15 o'clock. Will Brydon's Band will be featured between the "weekend at Sun Valley" scenes, playing the popular leader's own arrangements of the most popular songs.

The club is appreciative of the efforts of Miss Hildegard towards and her art classes for the posters made and the work of Anna Kahl and the Dramatic Club for scenery and properties. Business establishments and individuals cooperating for the show are Stein's, Printz, La Vogue Beauty Salon, Turner's, Victor Offerle and Maynard Johnson.

Several models were omitted in yesterday's account of plans for the show. They were Phyllis Kammer, Margaret Johanson, Bill Brooks and Frank Peterson.

UNITED BRETHREN MISSIONARY SOCIETY

The Women's Missionary Society of the United Brethren church will meet at 7:30 o'clock Friday evening in the church for the annual Christmas party. Members are asked to bring their families. Mrs. S. B. Caldwell will be the leader and the Otterbein Guild and World Friendship Circle will take part in the program. Mrs. Merle Barnes and her committee will have charge of the refreshments.

ANNUAL MEETING OF YOUNG PEOPLE

The annual meeting of the Young People's Society of the Bethlehem Congregational church will be held at eight o'clock this evening at the church and all members are asked to be present for transaction of important business. Refreshments will be served and a social time enjoyed following the business session.

PHILOMEL CLUB DUPLICATE GAME

treated and seized German merchant vessels on the high seas as enemy ships.

"The German government therefore establishes the following facts:

"Although Germany on her part has strictly adhered to the rules of international law in her relations with the United States during every period of the present war, the government of the United States from initial violations of neutrality has finally proceeded to open acts of war against Germany. The government of the United States has thereby virtually created a state of war.

"The German government, consequently, discontinues diplomatic relations with the United States of America and declares that under those circumstances brought about by President Roosevelt, Germany, too, as from today, considers herself as being in a state of war with the United States of America.

there was no word on Admiral Sir Tom Phillips, commander of the British eastern fleet, whose flag was flown by the Prince of Wales.

Comment of morning newspaper in London on the China sea action ran the scale from guesses that the Japanese used human torpedo tactics in suicide dives to speculation on the possibility they had developed a super explosive.

The naval correspondent of the Times said "it appears likely that the torpedoes as well as bombs were used."

A Daily Mail writer said bombs dropped alongside the ships timed to explode just beneath the surface might have done the job.

MISSING YOUTH IS FOUND SAFE AFTER SEARCH

Searching parties were out all night Wednesday in an effort to locate Robert Stevenson, 19, of 5 Church street, North Warren, who was reported to be lost while hunting in the vicinity of Scandia yesterday. The lad, however, was found about 9:30 o'clock this morning with a big deer which he had shot yesterday.

The father of the boy reported to borough police about 10:25 last night that his son had left home at six o'clock that morning and had not returned. Police contacted Game Protector George Norris, of Youngsville, who formed a searching party of six. Officers of the Pennsylvania Motor Police and Deputy Sheriff L. E. Linder also joined in the search.

According to reports Stevenson drove his car to a point near Scandia where he left it and entered the woods. He had hunted near the Allegheny river at that point where he shot a deer. After dragging the animal as far as he could, he built a fire and stayed in the woods all night rather than leave his buck there and go home.

Members of the searching party found him beside his car this morning preparing to load the animal on the machine and proceed home. Keeping a fire all night he suffered no ill effects from his experience in the woods.

This was the first report of a lost hunter in this vicinity during the hunting season.

At the same time, Dr. Marts announced appointment of Charles E. Clark, of Wayne, secretary of the Pennsylvania Firemen's Association, as chief fire warden of the council.

Clark was instructed to head a statewide training program for auxiliary fire-fighting units in emergencies.

In Washington it was announced that William L. Anderson, newly appointed state aeronautical director, had been designated as a wing commander for the new civil air patrol, which will enlist, train and discipline civilian aviation personnel and material.

The Work Projects Administration disclosed it was taking steps to curtail non-defense construction to make labor and materials available at once for work requested by the army and navy.

The Federal Bureau of Investigation said its three-way roundup of aliens had brought in 65 Germans, Italians and Japanese in eastern and central Pennsylvania, Delaware and Washington, D. C.

With federal troops guarding "certain" railroad bridges, Governor James said, the 2,000 members of the Reserve Defense Corps were on steady shifts patrolling other spans and rail spots.

Some of the Home Guard may be used to protect water works where adequate personnel is not available, the governor said, after conferring with officials of the Pennsylvania Water Work Association.

TOKYO CONFIDENT

Tokyo, Dec. 11. (AP)—(Official Radio Received by AP)—Foreign Minister Shigenori Togo declared today that the German and Italian declarations of war against the United States "together with the marvelous achievements of the imperial (Japanese) armed forces unfold a bright future for the Japanese empire, which is proceeding resolutely with the construction of a new world order."

TIMES TOPICS

COURT TOMORROW

A session of court is scheduled to be held here tomorrow with Judge D. U. Amrd presiding.

SAFE IN HONOLULU

Friends here will be pleased to learn that according to a cable received from Mr. and Mrs. J. C. Moore and baby, who left the United States about two weeks ago to sail for their home in Bombay, India, they are safe in Honolulu. The Moores had spent the summer on Lake Erie, near Dunkirk, and are quite well known in the local community. It is reported that they intend to stay in Honolulu.

TWO FIRE CALLS

Firemen were called to extinguish two fires in the past 24 hours. The first alarm sent them to the home of James DeStephano, 812 Fourth avenue, shortly after three o'clock yesterday afternoon, where a wooden beam built through the chimney caught fire. Although a hole was burned through the flooring, damage from the fire was less than \$100. The second call at 9:43 o'clock this morning was from 116 Dartmouth street where the chimney was found to be plugged and caused smoke in the home. There was no damage.

TRUCKS IN ACCIDENT

Two trucks figured in an accident at the intersection of Liberty street and Fourth avenue about eleven o'clock this morning. It is reported that a Chevrolet truck owned by the Department of Property and Supplies, which was being driven west on Fourth avenue, collided with a small Ford truck of the Bell Telephone Company driven by Lloyd Jackson Hall, of Kane R. D. 2, which was proceeding north on Liberty street. Driver of the Chevrolet truck was Paul A. Delman, 100 Main street, North Warren. The Ford truck spun around on the icy pavement and finally struck a tree on the northwest corner of the intersection. It was quite badly damaged on the right side.

NEW CASUALTY LIST

Washington, Dec. 11. (AP)—Chairman Walsh (D-Mass.) of the senate naval committee said today that the navy's Pearl Harbor casualty list had arrived this morning by Clipper and that telegrams would be sent immediately to the next of kin. The list will not be given to the public for two or three days.

COMPULSORY SALT

The government compelled every householder to buy 7 pounds of salt for every member of his family over the age of 7 in some parts of France during 1780.

field of fighting that would aid Russia.

"The Libyan offensive he said, 'did not take the course its authors expected, although it will reach the end at which they aimed.'"

He said Hitler had made one of the "outstanding blunders of history" in attacking Russia, pictured the Germans as in retreat on the Russian front after suffering enormous losses and said Britain was now bent on annihilation of retreating German forces in Libya with good prospects of success.

Churchill announced that General Alan Gordon Cunningham, commander of the British eighth army in Libya had been succeeded by Major General Ritchie a much younger man.

He said Cunningham who is 54, was reported to be suffering from serious overstrain and was granted general sick leave.

Major General Ritchie, 44, has been an officer in India, Palestine and Mesopotamia.

Churchill said first predictions of quick triumph for the British in Libyan campaign were an expression of "unduly favorable views," but asserted:

"The Libyan offensive did not take the course its authors expected although it will reach the end at which they aimed"—destruction of the Axis armies."

Important Meeting of Women of Moose

Mrs. Gertrude Bonnell was chairman of the thirteen supper which preceded the regular meeting of the Women of the Moose Chapter, December 10, on Wednesday evening. The regular meeting followed in the lodge rooms, with Senior Reg. Hilda Anderson in charge and attendance awards going to Mrs. Anna Stigelmier and Mrs. Esther each.

The chapter has planned to send Christmas box to Mooseheart and members are asked to bring their own and ten-cent gifts to the lodge rooms Friday, Saturday or Sunday.

Plans have been completed for a Christmas party for members, to be held next Tuesday evening with supper at six o'clock. Each is to bring a 25-cent gift for exchange. There was also a discussion of plans for the Christmas party for the men and women of the order to their families, to take place December 22. The children of the Hoffman Home will be guests. Mrs. Bonnell will be relief chairman, asked members to gather at home, 618 Prospect street, all year next Thursday for Red Cross wing. Those attending are to bring turkeys for the luncheon. The next regular meeting of the women's group will be held on January 14.

Social Events

STYLE SHOW AT HIGH SCHOOL TONIGHT

The High School Stenographers' Club announces that tickets may be had at the door tonight for the annual style show, scheduled to start at 8:15 o'clock. Will Brydon's Band will be featured between the "weekend at Sun Valley" scenes, playing the popular leader's own arrangements of the most popular song hits.

The club is appreciative of the efforts of Miss Hildegard Edwards and her art classes for the posters made and thanks Miss Anna Kahl and the Dramatic Club for scenery and properties. Business establishments and individuals cooperating for the show are Stein's, Printz, La Vogue Beauty Salon, Turner's, Victor Offerte and Maynard Johnson.

Several models were omitted in yesterday's account of plans for the show. They were Phyllis Kammer, Margaret Johnson, Bill Brooks and Frank Peterson.

UNITED BRETHREN MISSIONARY SOCIETY

The Women's Missionary Society of the United Brethren church will meet at 7:30 o'clock Friday evening in the church for the annual Christmas party. Members are asked to bring their families. Mrs. S. B. Caldwell will be the leader and the Otterbein Guild and World Friendship Circle will take part in the program. Mrs. Merle Eames and her committee will have charge of the refreshments.

ANNUAL MEETING OF YOUNG PEOPLE

The annual meeting of the Young People's Society of the Bethlehem Congregational church will be held at eight o'clock this evening at the church and all members are asked to be present for transaction of important business. Refreshments will be served and a social time enjoyed following the business session.

(From Page One) treated and seized German merchant vessels on the high seas as enemy ships.

"The German government therefore establishes the following facts:

"Although Germany on her part has strictly adhered to the rules of international law in her relations with the United States during every period of the present war the government of the United States from initial violations of neutrality has finally proceeded to open acts of war against Germany. The government of the United States has thereby virtually created a state of war.

"The German government, consequently, discontinues diplomatic relations with the United States of America and declares that under those circumstances brought about by President Roosevelt, Germany, too, as from today, considers herself as being in a state of war with the United States of America.

"Accept, Mr. charge d'affaires, the expression of my high consideration.

Losses in China Sea Action Are More Than 2,000

(From Page One) there was no word on Admiral Sir Tom Phillips, commander of the British eastern fleet, whose flag was flown by the Prince of Wales.

Comment of morning newspapers in London on the China sea action ran the scale from guesses that the Japanese used human torpedo tactics in suicide dives to speculation on the possibility they had developed a super explosive.

The naval correspondent of the Times said "it appears likely that torpedoes as well as bombs were used."

A Daily Mail writer said bombs dropped alongside the ships timed to explode just beneath the surface might have done the job.

CHIMNEY BLAZE CALLS FIREMEN AT YOUNGSVILLE

Youngsville Dec 11—Youngsville Fire Company answered a fire call to the home of John Williams on North Main street, Wednesday afternoon.

The difficulty was a chimney fire which did little if any damage. The Company put up a ladder and cleaned out the chimney but did not find it necessary to lay a hose for the fire.

ROFARI CLUB

Mrs. Roy McDowell, of the Youngsville Library Association was the speaker Tuesday evening at the dinner meeting of the Ro-fari at the Jewell Club. Mrs. McDowell told of the founding of the library of its slow growth and of the present library which is much appreciated in the community. Centrally located in the former bank building with librarians on duty certain hours of nearly every day in the week, it fills a real need in the town. While the library has grown, there is still great need of expansion and the trustees and association appreciated all support which they receive for this free library.

BRIEFS

Friends will be interested to learn that Mr. and Mrs. Hugh Lucas, of North Chili, N. Y., are the proud parents of a baby. Mrs. Lucas will be remembered in Youngsville as she was formerly Miss Amy Wood, the daughter of a Youngsville Free Methodist pastor.

Rev. C. M. McIntyre pastor of the Youngsville United Brethren church, recently attended a meeting of the trustees of Otterbein College of which he is one. The meeting was held in the college building in Westerville.

The Eastern Star members are remembering Christmas at the Friday evening meeting.

Mrs. Anna Kay is spending this week with a nephew, Don Pike, of Erie.

John Hutley is reported ill, at his home.

Mrs. Clara McKinney is leaving the last of this week for Sharon where she will spend the Christmas season with a daughter and husband, Mr. and Mrs. David Stewart.

Mrs. Fred Ludwick of Lander was a dinner guest of Dr. and Mrs. Knapp, Wednesday.

PURPLE HEARTS HOLD MEETING

L.W. ARCHIBALD TO BE HONORED AT GOLDEN BALL FRACAS

IMPRESSIVE CEREMONIES ARE PLANNED FOR CELEBRATION OF BASKETBALL'S 50TH CAMPAIGN

Lyman W. Archibald, one of the nine original sons of basketball, to whom Warren sports fans point with brimming pride, will be honored tomorrow evening at the 50th anniversary of the game sport and referred to as a "Golden Ball" game, proceeds of which will be contributed to the Naismith Memorial fund being raised to build the Temple of Basketball in Springfield, Mass.

Starting with the preliminary between the Warren and Oil City jayvees to begin at 7:30 o'clock, a number of events will follow on a program which has been prepared mainly by Director of Athletics J. E. Leidig and Basketball Coach H. G. Kolpich, to pay complete and colorful tribute to basketball, its inventor, Dr. James Naismith, and to Archibald, one of five surviving members of the original nine-man team which played the first game at Springfield College in 1891.

Following the preliminary contest, Harry Summers' Dragon band will enter the gymnasium to be followed by the guest of honor for the evening, who will be accompanied by Superintendent of Schools John G. Rossman, and members of the board of school directors.

It has been planned to have Archibald toss up a gold ball at the start of the feature encounter, with which the Dragons and Oilers will play until both teams have scored a basket. Then the official start of the game will be made, with Bill Meyers, of Corry, officiating.

This writer feels it is only appropriate that a brief summary of the connection of basketball in the life of Archibald be made for the benefit of the many interested followers of the cage sport and friends of the popular local man.

Archibald was born in Canada in 1868, being 73 years old now and enjoying good health. He

HISTORICAL FIRST BASKETBALL TEAM

The first basketball team, consisting of nine players and their coach, on the steps of the Springfield College gymnasium in 1891. Dr. Naismith is in civilian attire and grouped about him are, left to right, back row, John G. Thompson, Eugene S. Libby, Edwin P. Ruggles, William R. Chase, T. Duncan Patton, Center row, Frank Mahan and James Naismith. Front row, Finlay G. MacDonald, William H. Davis, Lyman W. Archibald. basketball and building a team that won most of its contests against outfits such as Allegheny College, Bucknell University, etc.

He left Warren after three years and moved on to Bridgeport, Nova Scotia; Charlotte, Prince Edward Island; Yarmouth, Nova Scotia; and finally to Acadia University in 1913-14. But the war broke out and basketball faded so Archibald returned to Warren where he became a pioneer in the silver fox industry.

He coached over 25 teams in the early life of basketball.

Tickets for tomorrow night's contest may be purchased only at the gate, a flat rate of thirty cents, tax inclusive, prevailing. Season tickets, not going on sale until next Monday, will not be available.

BRADFORD PROMISES TO LEAD MERRY CHASE IN NORTHERN LEAGUE THROUGH THE WINTER; COMPARISON OF CAGE SPORT—THEN AND NOW

The Bradford Owls, defending basketball champions of the Northern League, District Nine of P. I. A. A., served notice to their brother members Tuesday evening that they mustn't be considered lightly this year as they mopped up the spacious Owl gymnasium with Eric Tech's Centaurs, saving the junior a heap of trouble and winning the decision in their first start of the season by a 37-18 count. Tech scheduled the game all in good faith, but never was in it after the opening whistle. The veteran Red and Black combination jumped on their visitors with the greed and speed used by Japs Sunday in their opening attack on Manila, and when the half was over it was Bradford 19, Tech 9. That margin not completely satisfying Coach Harold Brace's boys, they really showed their power and defense in the third stanza by outscoring the Centaurs 14 to 1. By this time there was no longer any doubt as to which team was going to cop the duke, and only when Brace showed his newer additions to the squad into action in the final cant did Tech come into its own. They managed to outscore the Owls 8-4 in that period, but got back on the track to victory too late to claim the honors. Sooo... we'd like to offer this as a gentle hint to Warren, Sheffield, St. Marys, Emporium, Johnstown, Ridgway and Kane that the team on which to concentrate their guns, if these outfits have any this winter, is upon Bradford, and don't worry about shooting a couple of Owls out of season!

No information could be more complete or authoritative on the subject of basketball than that coming from a man who played in the first scheduled contest in the nation; was on the first basketball squad ever chosen. Fortunately, in our midst we have one of five surviving members of the initial nine (correct) that started the basketball rolling to fame back in 1891. With the splendid cooperation of his daughter, Mrs. Olive A. Huff, we obtained the views of Lyman W. Archibald, who will be feted at tomorrow night's golden ball game at Beatty court, as he saw the game at its origin and as he sees it today. Included in our accompanying story about Mr. Archibald to be found elsewhere on the page is a more extensive description of his opinions, but we'll take space here to discuss his comparison of the game, as it is played today, and as it was played in 1891 and for several years thereafter. Before we quote him, however, let us explain that in the beginning nine men were on a side, to allow more members of the gym class to participate in the exercise. Later the number was decreased to seven and finally to the present five, which seems to be established permanently enough as no coach ever protests against too many men or too few men anymore.

But, now for Mr. Archibald's own opinions of the game of basketball today.

"The game now is more scientific and more interesting principally because a smaller number gives room for combination plays not possible when so many were on the floor.

"The sideline rules have been changed for the better. In the beginning when the ball went out of bounds, there was a toss up. (Today, of course, opposing team from that knocking ball out of bounds takes possession putting ball in play again.)

"Certainly the uniforms are more comfortable!" Mr. Archibald states emphatically. "On the first team we wore long sleeved jerseys because it was not considered decent to expose the arms with ladies in the audience! We also wore long pants with stockings and rubber bands under the shoes to keep trousers from slipping up. Later one-fourth sleeves and knee pants with long stockings were worn."

And while the above paragraph is a bit humorous to the modern generation, this tops the list: "When ladies were introduced to the game and started to participate in it, men were not allowed to see the ladies' games because they were divided skirts!" (We're speechless!)

Duquesne Accepts "Victory Bowl" Bid

The university stipulated, however, that its opponent be either unbeaten Minnesota, champion of the Western Conference, or Texas University. Proceeds of the game would be given to the United Service Organization.

BASEBALL HEADS SILENT AS JOINT MEETING STARTS

Chicago, Dec. 11. (P.)—Baseball had its ear tuned for today's meeting of the major leagues as the possible sounding board for a statement of the sport's war aims.

Commissioner Keneaw M. Landis has remained virtually silent about baseball's place in the national effort, but it was believed the joint meeting would produce some expression from organized baseball as to its plans.

Trading calmed down overnight—the only new deal being the Cleveland Indians' purchase of Pitcher Vernon Kennedy from the Washington Senators for about the waiver price of \$7,500. The one-time Detroit star won only three games and lost 11 last season while splitting his services between St. Louis and Washington.

There was a chance some final trades might be rushed through before the owners and managers left town, but no new indications were to be seen and the best tip continued to be the New York Yankees' dickering for First Baseman Dolph Camilli of the Brooklyn Dodgers.

FATHER OF BASKETBALL

Dr. James Naismith, who invented the game in 1891, is being honored this year by a Golden Jubilee campaign which will see thousands of basketball teams playing Golden Ball Games for the purpose of erecting a Temple of Basketball at Springfield, Mass.—site of the first game. The Temple of Basketball will house a Hall of Fame and an historical museum. In its archives will be preserved the records and data of the sport.

SHARON HI AND FARRELL RETURN TO DISTRICT 10

Meadville, Dec. 11. (P.)—Coaches and faculty managers of PIAA District 10 schools last night evolved plan for league basketball competition for Sharon and Farrell High schools, which have been without league affiliation for a year.

The officials arranged for the two Mercer county schools to join the four Erie City High schools in a new circuit, starting next year. H. D. Leberman of Erie, district committee chairman, said the plan undoubtedly would be accepted by the district committee.

Sharon and Farrell dropped out of District 10 a year ago. Their applications for admittance to the WPAL were turned down this fall.

District 10 schools, holding their annual meeting, voted down a proposal to amend the PIAA 19-year-old player eligibility ceiling.

Warren High school was represented at last night's meeting by Director of Athletics J. E. Leidig and Coach H. G. "Heinie" Kolpich.

Sports Round-up

By HUGH FULLERTON, JR. (Wide World Sports Columnist)

New York, Dec. 11. (P.)—(Wide World.) Bob Feller made a wise move when he joined up with the naval reserve... The fact that he didn't wait for the draft brought credit to himself and to baseball in general... Frank Lawrence suggests that if night baseball is banned, the game might be saved by double daylight saving. "If we could save one hour of sunshine, I don't see why we can't save two hours," he says.

Bradley Tech's basketballers already have been made homeless by the war. A few hours after the outbreak of hostilities in the Pacific, the governor of Illinois banned non-military use of armories. Now the "Notre Dame of basketball" is negotiating for high school gym for games against such as Harvard, Oklahoma, Oregon State, etc.

Sox Waterloo (La) farm... Joe Shickelski, who resigned as Holy Cross coach, is reported ready to join the F. B. I. as head of its physical training department... Bert Corbuen, coach of the Atlantic City Sea Gulls hockey team, keeps his boys on edge by a sign in the dressing room. It says: "Trains leaving for Canada every hour."... Not to be outdone by Ossie Solon's "Y" formation, Lev Andreas has come up with a "double pivot" for his Syracuse U. basketball team... Ever hear of a pier six brawl in tennis? Well, what used to be pier 6, Tompkinsville, Staten Island, has been turned into a recreation center and a couple of major indoor tennis events may be held there.

CODFISH CYCLE

A codfish lived three months in an airtight globe at the North Dakota Agricultural College at Fargo. Water plants inside the globe were kept alive by carbon dioxide given off by the fish, which in turn breathed the oxygen the plants gave off and ate them.

The United States purchased the Louisiana Territory from France on April 30, 1803.

Today's Guest Star

See Taylor, Des Moines (Ia) Register: "Bernie Bierman's efforts to conceal the fine points of that fast play his team pulled to defeat Northwestern... The play nobody saw—were in vain. The Japanese got the idea all right. They engaged us in conversation and snatched the ball while we weren't looking."

Pop Pops Off

"What's in a name, anyhow? Worth Little, halfback, was voted the most valuable player on the Gulf High School team, which won the Florida West Coast conference championship for New Port Richey."

Youngsville Seeks 3rd Successive Win

Seeking their third victory in as many starts this season, the Youngsville High School Eagles will play their first home encounter tomorrow evening when Tionesta High invades the Eagle hardwood for their annual visit to the biggest little town on the map.

The Red and White charges rate heavy favorites over their visitors, but they can count on Tionesta to make a game of it from start to finish.

Tionesta has a strong team for the size of the school this year, also, and boast a couple of victories at present with a shining record that is still unblemished.

There will be a preliminary attraction at 7:30 o'clock.

TWO GAMES ON "Y" HARDWOOD TONIGHT

It was announced today by Physical Director Ed Hester of the Y. M. C. A. that two league games are on deck for this evening on the "Y" court.

The All-Stars and New Process meet in a Class B encounter at eight o'clock, and the O'Connors and Rocks tangle in an after-piece.

The Engineers split and Sales Dept. postponed their match last night in the Struthers-Wells circuit to leave these two outfits in first and second place respectively.

The Engineers were able to take two of the three games, but the Heaters, their opponents, took the second game of the match by a wide enough margin to cop total pins.

Stancliffe banged out 615 for the Plate Floor Five in the same circuit at the Arcade for the best effort of the evening there. And Myron Check contributed 626 at the Elks for that club's best of evening during the evening, as the Texas Lunch entries at the club took four points from the DeLux Metal gang.

Bowling was down for the most part last evening. At the Arcade they postponed a seven o'clock match just about fifteen minutes before it was time to roll, announcing that the men were working and couldn't make it. That left two sides open all evening, practically, and no one knew until late so few of the bowlers took advantage of the break.

Eddie Branch bowled his second high total thus far in the campaign at the Elks last night. Supplied a 215 game with two supporting scores of 175-157 for a total of 547.

Conewango and Moose Clubs were idle but resume action tonight. Commercial loop goes "sliding" at the Arcade.

The first American casualty list in the war with Japan bears the names of the Pennsylvania soldiers pictured above. All died as the Japs launched sudden "infamy" attack on Hawaii. They are left to right, Sergeant Joseph E. Good, 25, of Pittsburgh; Private Eugene L. Chambers, 22, of Apollo; Staff Sergeant Frank J. Depolis, of Renovo. Good and Chambers leave widowed mothers.

War Resolutions Are Identical Excepting For Nations Involved

Washington, Dec. 11.—(AP)—Two war resolutions, identical except that one named Germany and the other Italy, were passed immediately by congress today after President Roosevelt asked a declaration of war against those nations.

The text, except that the declaration against Italy named that nation instead of Germany, follows:

"Declaring that a state of war exists between the government of Germany and the government of the United States and making provision to prosecute the same.

"Whereas the government of Germany has formally declared war against the United States and the people of the United States of America;

"Therefore, be it

"Resolved by the senate and house of representatives of the United States of America in congress assembled, that the state of war between the United States and the government of Germany which has thus been thrust upon the United States is hereby formally declared; and the president is hereby authorized and directed to employ the entire naval and military forces of the United States and the resources of the government to carry on war against the government of Germany; and, to bring the conflict to a successful termination, all of the resources of the country are hereby pledged by the congress of the United States."

NERO'S VILLA ORANGE INDUSTRY

Florida's orange industry was founded accidentally. Spanish explorers, munching on the golden fruit they brought with them from Spain, spit out the seeds which grew into the first U. S. orange tree.

Both Houses Act Swiftly to Appeal Of Chief Executive

(From Page One)

occupied a seat in the diplomatic gallery.

Premier Mussolini announced the declarations in Rome. Adolf Hitler, told Germany the struggle would determine history for centuries.

Monday, before President Roosevelt asked for a declaration of war against Japan, Speaker Rayburn of the house said he believed congress would vote for a declaration against Germany and Italy as well if it was true "as flashed around" that those nations had declared war on the United States.

Germany's declaration of war against the United States was taken to the state department shortly before 9 o'clock by Hans Thomsen, charge d'affaires of the German embassy.

He was accompanied by Herbert Von Strempel, first secretary.

After letting the Germans wait for several minutes, Secretary of State Hull sent word that he was unable to receive them and Thomsen and Von Strempel were escorted to the division of European affairs where they presented the declaration to Ray Atherton, chief of that division.

The favorable news from the four-day-old war in the Pacific was an army spokesman's announcement in Manila that an American bomber had hit a Japanese battleship off northern Luzon yesterday and left it blazing fiercely.

The ship was reported to have been hit by three bombs. Two of them were said to have been laid "close alongside."

News of the slashing attack on the Japanese battleship came just after the receipt of reliable reports that Japanese forces had effected a new landing on northern Luzon, richest and largest of the Philippine islands, following the smashing of at least one other invasion thrust.

To increase the output of giant four-engine bombers for the armed forces, the Office of Production Management upped the monthly production goal from 500 to 1,000 and announced a program for the construction of still more heavy bomber plants deep in the interior.

OPM Boss William S. Knudsen yesterday ordered all warplane factories on a seven day, 168-hour-a-week basis, and he said the same order applied to four other major lines of production—guns, ships, ammunition and tanks. Anti-aircraft guns rates next to planes on Knudsen's urgent list.

As OPM tackled the job of performing production miracles, the army completed heavy concentrations of troops along the Pacific and Atlantic coasts to "meet any threat" of a hit-run incursion which might menace the busy plants or civilian security.

The speedy and secret shift of troops was accompanied by a redistribution of air force units to cope with any hostile air activity that might follow the surprise Japanese reconnaissance flights over the San Francisco area Monday night and Tuesday morning.

The possibility that the carrier which brought these planes might still be lurking somewhere off the coast intensified the blackout precautions in the Pacific area generally, particularly since unidentified planes appeared over Los Angeles last night. Shipyards working around the clock were excepted, unless an actual raid alarm was sounded.

In another conservation move that hit the man-in-the-street more directly, the OPM virtually halted the sale of all rubber tires and tubes until December 22, pending formulation of a "more permanent" plan for controlling rubber distribution. "Severe penalties" were threatened, unless a purchaser had obtained a very high OPM priority rating. Used tires and tubes were excepted.

Berlin, Rome and Tokyo Enter Into A New Agreement

(From Page One)

Domest, said the Japanese landing on Wake Island followed violent aerial attacks in which warships were smashed and set ablaze and seven U. S. planes shot down in a single day's dog-fights over the island.

Reports that Japanese airmen were making themselves "human torpedoes" found apparent substantiation in a bulletin from Tokyo imperial headquarters which said the Japanese planes in an attack on an airport near Manila "dived headlong into enemy positions."

In disclosing that American troops had won round No. 1 in the battle of the Philippines, a spokesman at Gen Douglas MacArthur's headquarters declared: "The situation is completely in hand."

"Enemy detachments that landed on the Luzon coast are being disposed of. Mopping up operations are proceeding."

A native Filipino division was reported to have thrown off Japanese land attacks at Lingayen, the closest threat to Manila so far.

Russian armies claimed smashing new successes on the Ukraine, Moscow and Leningrad fronts today. Soviet dispatches from the southern front pictured Field Marshal Ewald Von Kleist's armies as retreating with new bloody losses in the rout from Rostov-on-Don.

"Pursuit of the enemy continues. Roads are littered with enemy dead," the Russians said.

On the central front, the Moscow radio reported 12,000 Germans killed and wounded as Russian troops in four days of fierce fighting recaptured the town of Olets, in the Orel sector, 200 miles south of the U. S. S. R. capital.

On the Leningrad front, the Soviet radio said Russian soldiers who dislodged the Germans from Tikhvin, 110 miles east of the old Czarist capital, were "successfully" pursuing the Germans, retreating in disorder, and have occupied 15 villages."

In North Africa, British mobile columns were reported striking sharply at Axis forces retreating westward across the Libyan desert from the El Adem area, 15 miles south of Tobruk.

British patrols operating along the Libyan coast between Tobruk and the Egyptian frontier were said to have destroyed 23 tanks in workshops in addition to 27 reported captured yesterday.

Premier Mussolini's high command acknowledged that British pressure on the Italian stronghold at Salum was continuing and reported 35 British tanks destroyed in fighting south and southwest of Tobruk.

ONE PER CENT GOT SCARED!

During the three business days since the outbreak of war, our efforts to buy Pennsylvania Gas stock have produced offers from only five owners.

Thus, only one out of every hundred Pennsylvania Gas stockholders was scared! And their holdings totalled less than 2/10 of one per cent of the total stock outstanding.

Naturally we bought some of the "scared" stock.

Courageous and far-seeing investors will, we believe, be glad to buy it at 16,—to return 7½% (based on current dividends).

CHRISTMAS AND WINTER RELIEF NOW UNDER WAY

The Salvation Army Christmas and Winter relief program for Warren County area has been officially launched and the work is already well under way. It was announced at the citadel today.

At a meeting of the citizens' advisory board, held some weeks ago, it was decided to carry on about the same plan as other years with slight modifications in keeping with current events and emergency demands.

Even greater care than in other years is being taken to reduce the distribution of baskets and garments to actual needs, and permit a portion of the fund being devoted to the Salvation Army's care of local and traveling boys in service of the country.

The plan of financing is again three-fold, namely—street kettle collections, profits on the sale of the Christmas edition of the War Cry, and voluntary gifts. Response has been a little slow in the initial period of appeal but is gaining with the actual frigid weather and closer approach of the actual Christmas season. A tabulated report of returns to date will be published within the next few days. In the meantime, Warren County workers are working diligently on the complete program which is enjoying the cooperation of many other local agencies and individuals as well as the churches of the entire area.

DOROTHY JAMES "ENLISTS"

Harrisburg, Dec. 11.—(AP)—Miss Dorothy James, daughter of the governor, has "enlisted" as an active defense worker.

She volunteered her services at the Harrisburg-Dauphin County Council of Defense, and was assigned to interviewing other volunteer defense workers.

Mrs. Evelyn Burlingame, blind wife of Gayle Burlingame, executive director of the State Council for the Blind, also volunteered and was given typing and switchboard duties.
